Hi Ann and Dave,

Just a line to say how much I enjoyed my re-introduction to the hobby after many years. I did enjoy with great success the new ways of applying tissue so stress free. Made a couple of modifications to the nose with 1/16 sheeting (small grand children also reinforcement to rear peg area... Great kits have ordered a few for the winter months to come, thanks again keep up the good work; you are my hobby shop away from home. Cheers, David Camp, Delta B.C. CANADA
